

The 2017 HCEA Calendars are available!

February Photo - Safety first! A Marion Type 7 shovel swings directly over a laborer on the ground in the undated image. The Type 7 was rated at one yard capacity, and 247 were produced from 1926 through 1929. John Otteson Company is the contractor. (Marion Power Shovel Company Collection, HCEA Archives)

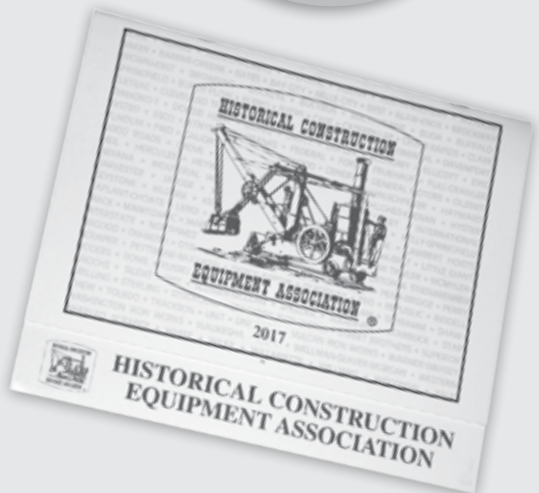

Featuring 12 full page black & white photographs carefully scanned and restored from rare originals depicting construction equipment from all eras!

The only calendar of this type offered!

**Dealers!
Contractors!
Distributors!**
