

# The 36<sup>th</sup> Annual Historical Construction Equipment Association's International Convention & Old Equipment Exposition

National Construction Equipment Museum  
16623 Liberty Hi Rd. Bowling Green, Ohio  
September 23-25, 2022

Featuring live demonstrations of antique construction equipment in our 20-acre exhibit & demonstration area!

**NEW for 2022**

### Construction Swap Meet

Looking for vendors of agricultural, construction equipment and truck parts, tools, memorabilia, and petroliana

\$30 for a 20' x 25' space reserved before August 7<sup>th</sup> or \$35 at show time.

For more information Email: [the.wackman@zoominternet.net](mailto:the.wackman@zoominternet.net) or call the office at 419-352-5616

See the Museum's collection of over 160 construction machines from the late 19<sup>th</sup> through mid-20<sup>th</sup> Century, plus dozens more construction machines from across the country and farming machines, trucks, engines and military vehicles.

Also featuring daily parades; toy collectible and memorabilia dealers; and a huge sandbox with miniature equipment for the kids!

Our last show had over 350 exhibits. Bring you old iron and push us over 400!
